DID YOU GET YOUR BOTTLES YET?

It's Baby Bottle Boomerang time! Have you seen these bottles in your church? If not and you would like to, give us a call. Don't know what it's all about - call and we will be happy to share the idea with you.

Just a thought - Do you have a place of business where you might like to display a large bottle for your patrons to give? We have large bottles available and it's an easy way to be a part of the ministry of Sav-A-Life of Dale County. We want to say "Thanks" to Jim Whaley Tires and Living Word for placing a bottle in their place of business. Be sure to drop your change in when you visit them.

For information on how you and your church can participate, call Sidonna at 774-4419.

“For I know the thoughts that I think toward you, saith the Lord, thoughts of peace, and not of evil, to give you an expected end.” Jeremiah 29:11

Our thanks to you . . . all those individuals who give gifts of items, funds, time and prayers. We could not fulfill the work of this ministry without you.

The power of one gift touching one life? Matchless

In a world with so much information available we can go on the internet or just watch a few minutes of TV and be bombarded with statistics, trends and more information than anyone can process.

With so much coming at us, the blur of it all might make us lose sight of the power of one person. After all, what can one person do amongst millions?

At Sav-A-Life of Dale County, we know that one person makes a difference. One financial gift, for instance, may purchase materials the Lord uses to change a mind toward life. Or that one gift might purchase an advertisement that draws in a client who later turns to Jesus Christ.

If you believe in the Power of One, your gift can have a tremendous impact as we enter the summer months. The enclosed envelope is for your convenience; feel free to join us as we touch lives—one at a time.

SECOND ANNUAL RIDE FOR LIFE raised \$500!

*Thanks to all
who made it
possible!*

Client Feedback . . .

- Sav-A-Life has helped me have a stronger relationship with the Lord and know that I need to put my future in God's hands and follow Him.
- My mentor's patience and understanding has helped me understand my feelings during my pregnancy.
- I would want to return to Sav-A-Life because of the encouraging words and prayer.
- Sav-A-Life has helped me get closer with the Lord because I had fallen away for a while.
- I would want to return to Sav-A-Life because of the kindness, sensitivity and love shown to me.

All I've got is a smile—and that's enough

When a client comes in our door one of the first things she needs is the assurance that she—regardless of the outcome of her pregnancy test—is going to be okay.

Sometimes all it takes to communicate that message is a smile.

If you like to smile, if you enjoy sharing hope with others, we have a place for you at Sav-A-Life of Dale County. We're looking for new volunteer staff to join our ministry, and we're just a phone call (and a smile) away.
